Chapel Project
Clean Water for Haiti

After the January, 2010 earthquake, Lutheran World Relief has helped provide water and sanitation to the earthquake survivors. Water is a daily in Haiti need and through our offerings over the next couple of months we hope to purchase a Bio-sand filter. This filter will purify enough water for a whole community.

Beginning with Chapel on Jan. 25, our new Chapel Project will be the Lutheran Malaria Initiative. Watch for more details next week.

enjoy and have the right to gather for church and freedom that we sometimes take for granted.

THANK YOU,
~The Metzger Family

Jonathan Metzger's funeral (Coach Tom Metzger's nephew and Knock & Aureilia's grandson) is Friday, January 20 at 1PM in Indianapolis, Indiana with FULL military honors.

The family extends a thank you for the school recognizing/honoring him by flying the flag at half-staff this past week. We also thank all those thoughts, prayers, phone calls and cards for the family. We thank ALL the fallen for they have given the ultimate sacrifice so we may

The guide

Picture a man stumbling along in a heavy fog, completely disoriented. Then, off in the distance, he sees the light of one small lamp. Its glow is sufficient neither to burn off the fog nor to illuminate the obstacles that might be on the ground between the man and that lamp. Still, it is a steadily burning lamp. Something within the man prompts him to believe that if he heads toward it, he will be going in the right direction. That "something" we can call "faith."

While heading toward the lamp, he finds another lost man whose eyesight is so poor he can't see the lamp. The first man takes the second by the hand and helps him toward the lamp also. The act of reaching out to another we can call "love."

And the lamp that draws him? It's called "hope."
