

March 2009

Greetings ZLS Parents,

It is hard to believe that it is March already. I pray that this letter finds you and your family looking forward to Easter weekend when we celebrate the Empty Tomb.

It is time to find out from you about your intentions for next year. Please complete the Re-Enrollment form and send it to the office as soon as you possibly can. There is also a \$40 non-refundable fee when you re-enroll. Please note, in order for you to re-enroll and have that re-enrollment secured, ALL FEES MUST BE CURRENT.

I encourage you to send in this re-enrollment form as soon as possible. Please refer to the back of this letter to see how you can save on registration for the 09-10 school year. You will also see that I have included the tuition rates for the 09-10 school year.

God has richly blessed Zion Lutheran Church and School. One of the greatest blessings has been bringing you and your family into our Zion family. We pray that you will continue to be part of our family next school year.
