## Summer Camp

 Zion Lutheran Church & School

In order to best serve our community, one of Zion's goals is to demonstrate its deep devotion to the community. How can we help hurting families? How can we support working parents? What societal challenges is our community facing, and how can we help? We are determined to ask the questions, find the needs, and meet those needs as an open, loving Christian family.

One way Zion wants to build the dreams of our community and congregation is through Zion's summer camp, The Village. The Village is more than a summer program or day camp. This summer, consider the benefits of sending your child to a program with a well-crafted curriculum designed by a master's level counselor with 15 years of experience in collaboration with a 27 year educator.

## The Village Summer Camp

is a faith-based summer program developed to inspire our youth (ages 6-13) through a Christ-centered, character building curriculum designed to help kids reach their God given purpose.

We facilitate this through a Mind, Body, and Spirit program in a safe, warm and loving environment on the grounds of Zion Lutheran Church and School.

Our services are moderately priced to ensure accessibility for all who want to participate and we strongly encourage parental involvement to help further enhance a relationship with you and our Community.

For all we hope to achieve, we consider it a privilege to nurture your children God's way so, join our Village and receive a blessing!
